Soffi

Meet Soffi.

For over 20 years, by way of our internationally acclaimed decorative glass firm, Soffi Studio (formally Tsunami Glassworks Inc.), we have delivered the world's best interior designers and architects unique, luxurious, contemporary glass sculpture and décor. Taking our extensive experience in metal and glass design and fabrication, Soffi was born to provide our clientele with spectacular, bespoke lighting. Located in Windsor, Ontario, where all designs and products are proudly Canadian.

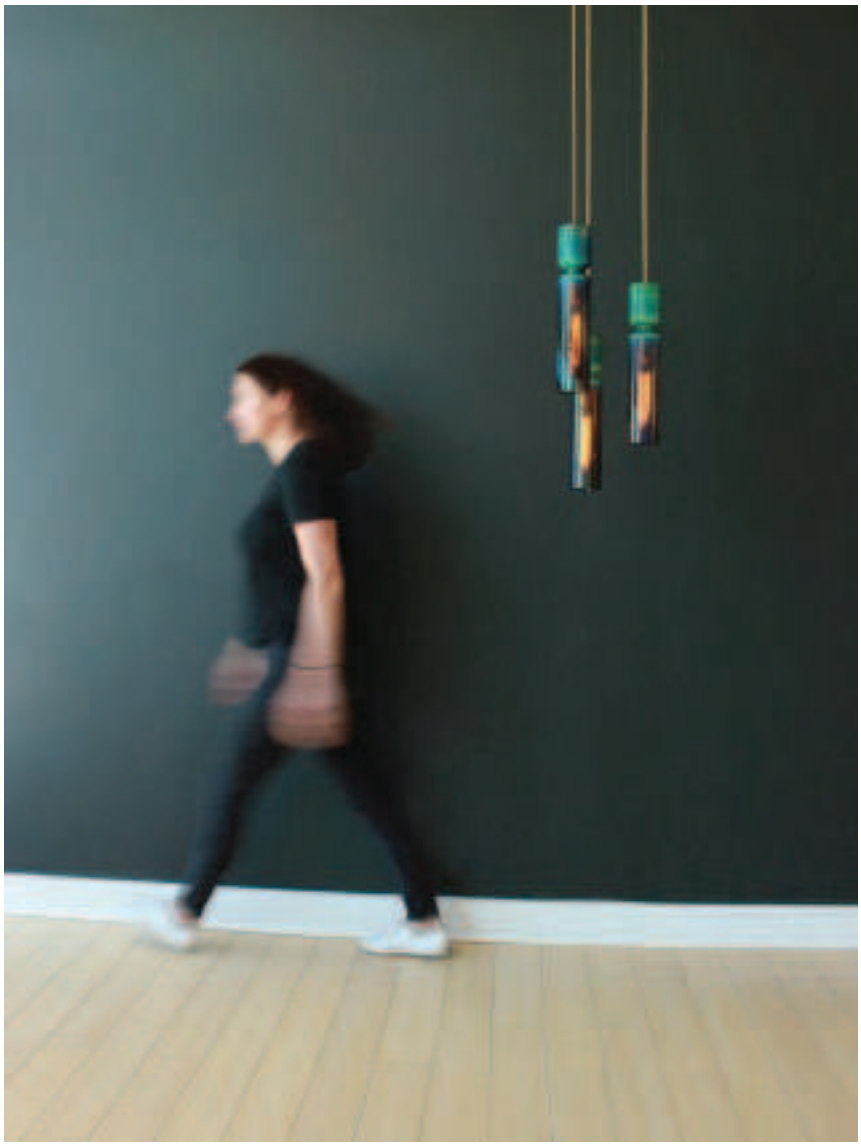

What's in a Name?

The name SOFFI come from the Italian glassblowing tool, Soffietta, and is derived from the Italian verb soffiare, white means to blow or puff. the name Soffi embodies the very soul of the glassblowing process—the breath of the craftsperson. It is this human touch that goes into everything we produce.

table of contents

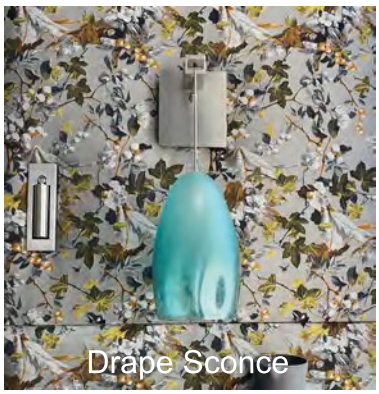

With the idea of scale through multiples, Soffi's pendants are designed to be hung individually or in groupings. Styles can be mixed and matched to create a bespoke fixture, unique to any environment.

Terms and Conditions

Thank you for your interest in Soffi Lighting. In order to better work with you and your clients, please take the time to review our Terms of Service below. Please direct any questions to info@soffistudio.com or give us a call at +1 519 258 7620.

ORDERS & PAYMENTS
Please send all Purchase Orders to eva@soffilighting.com

PAYMENT:
Payment is due on initial orders at 50% deposit/50% due before delovery, by company check, Visa, MasterCard, E-Transfer or Bank Wire Transfer.

CUSTOM:
For any custom fabrication or design work, we invoice for 15% of the quoted cost of the project as a non-refundable retainer to cover the initial design costs. High quality renders are provided for all custom projects after receipt of the design retainer. Once the designs and shop drawings are accepted, a 35% deposit is required to commence manufacturing. Site visits may be scheduled, one prior to wall finishing, and one to review installation with the contractor doing the installation. Upon completion of manufacturing the r emaining 50% payment is required prior to shipping. Lead time for custom projects is 10-14 weeks depending on the scope of project unless otherwise requested.

TIMING & SHIPPING:
All SOFFI products are made to order and take, on average, 8-12 weeks to ship depending on order volume. Lead time for custom orders will be specified at time of order confirmation. In stock items can ship next business day.
US customers are required to provide their FEDERAL TAX ID number for customs clearance.
To make things easier for our clients, orders are shipped free domicile to the US and DDP for international (duties, taxes and fees included). These costs are reflected in the shipping charges. Shipping prices are quoted as requested.
SOFFI ships with UPS or FedEx standard ground for small packages, LTL Freight for ground shipments within North America, and best rate Air or Ocean for international, unless third party shipping is requested.
STOCK & PRODUCTION:

Each SOFFI piece is hand made. hand-tooled, and hand crafted, measurements may vary slightly from those noted. Items are packaged with our product guide which includes installation instructions and product care if applicable. Our showroom is stocked with limited items for quick ship projects and can selected from our online store. Trade pricing will be applied on the invoice.
EXCHANGES:

Goods that are damaged at the time of receipt can be exchanged for same goods, provided we are notified by 5 days of receipt. This policy does not include goods that are not defective rather exhibit minor variations typical of handmade products, such as variance in colour distribution and small bubbles characteristic of hand-blown glass. Because our products are made to order, all sales are final unless the items arrive damaged in which case, SOFFI will replace the item(s) free of charge.
WARRANTY:

A one-year warranty applies to parts and components only. If the product has been improperly installed, tampered with, or altered in any way, the warranty is null and void. SOFFI may require images and/or the return of any damaged, failed, or faulty parts and components.

TERMS:
SOFFI'S terms and policies are subject to change with or without notice.

COPYRIGHT:
